ADMISSION CRITERIA TO ALL SAINTS PRIMARY SCHOOL GOVERNOR RUN NURSERY PROVISION

If the total number of applications exceeds the number of available places, the following criteria will be applied to allocate the places:

6.0 Children turning 4 years old in the current academic year.

6.1 Children in Care and children who ceased to be in care because they were adopted (or became subject to a residence order or special guardianship order).

6.2 Children living within our defined catchment area for the school.

6.3 Children who have an elder brother or sister in attendance at the school or occupies a nursery place in the EYFS Unit and who will still be attending the school or EYFS Unit at the time of the proposed admission date. For admission purposes, a brother or sister is a child who lives at the same address and either: have one or both natural parents in common; are related by a parents marriage; are adopted or fostered by a common parent or are unrelated children who live at the same address, whose parents live as partners.

6.4 Children who satisfy both of the following tests:

Test 1: the child is distinguished from the great majority of other applicants either on their own medical grounds or by other exceptional circumstances.

Medical grounds must be supported by a medical report (obtained by the applicant and provided at the point of application). This request must clearly justify, for health reasons only, why it is better for the child's health to attend our Nursery.

Exceptional circumstances must relate to the choice of nursery place and the individual child, i.e. the circumstances of the child, not the specific economic or social circumstances of the parent/carer, and be supported by a professional report, (obtained by the applicant and provided at the point of application) e.g. social worker, justifying why it is better for the child to attend All Saints Early Years Foundation Unit rather than any other nursery.

Test 2: the child would suffer hardship if they were unable to attend the preferred early years setting. Hardship means severe suffering of any kind, not merely difficulty or inconvenience, which is likely to be experienced as a result of the child attending a different school. Parents must provide detailed information about both the type and severity of any likely hardship, at the time of application.

6.5 Other children arranged in order of priority according to how near their home addresses are to the main gate of the School, determined by a straight line.

PLACES WILL BE ALLOCATED DURING THE FOLLOWING POINTS IN THE SCHOOL YEAR TO JOIN OUR EARLY YEARS UNIT.

If your child turns 3 between or before:	They are eligible for a free part-time place in the term following their third birthdays:	Applications can be made at any time but should be received by the school office no later than;
