

Catherine McTigue

I was elected as a Parent Governor in 2010 and subsequently co-opted to the Governing Body in 2014. I serve on the Finance and Premises Sub-committees and am also Link governor for Early Years. I want to ensure that every child has a fair chance to reach their full potential, and am committed to helping the School to achieve this.

I am a practising Solicitor, and a qualified Higher Court Advocate. As part of my degree in German and French I spent a year teaching English in Berlin. I am pleased to act as Link Governor for Modern Languages.
