

Chris Precious

I've been a governor since Nov 2017 and am a member of the Health and Safety and Premises committee. Before coming to Alrewas, where I'm training as Revd John Allan's Curate at All Saints Church, I spent 16 years in the food industry; working predominantly in factory and technical management, and auditing roles. During my time at Alrewas, I'm passionate to use my skills to help All Saints School live out its values to enable every child to flourish.
