

Mrs Jean Simpson

I have been a member of staff at All Saints' Primary School since 2004. I work as a lunchtime supervisor assistant. I am a Non-Teaching Staff Governor in my eighth year on the Premises, Health and Safety committee.

In my role as Lunch-Time supervisor I work with the children and all staff to maintain good behaviour, as well as the well-being of all children and staff. I also work with the Extra Time Club.

I enjoy doing crafts with the children and also help out with the gardening club and Year 6 Young Leaders.

My main aim is to make sure the children learn in a safe and happy environment and enjoy their time at school, learning skills they will need in later life.
