

28th March 2018

Dear Parents/Carers,

Please follow this link to view our letter/report from Ofsted, following our recent inspection.

We are delighted to be judged as a 'Good' school. There were lots of positives captured in the report including leadership, governance, safeguarding, behaviour, ethos, progress in reading and writing to name but a few. As always with any inspection or monitoring activity, there are areas for improvement. We are keen to address the issues with fresh enthusiasm as they are areas we are already working on.

We look forward to working together as staff, governors and parents for the next stage of the school's journey.

Thanks to all of you who completed the survey and offered feedback during the inspection.

Have a lovely Easter break.

Kind Regards.

Ms Golden
Sue Durrant (Chair of Governors)
