Lions - Update

In Lions we are investigating how to promote and sustain good physical and mental health. We completed a Yoga session and learnt the benefits it can produce for us and others (many famous people complete daily Yoga). We attempted different Yoga poses and some of us are now inspired to complete Yoga in the home!

Lions Update

Thank you to all that joined us to celebrate the children's achievements at Laches Wood during our presentation on Thursday 10th October. We hope you enjoyed hearing our stories, looking at photos and learning about how we developed and challenged ourselves over the week.
