Lost Property

Thanks to the large number of parents who have been into school recently to check the lost property. We still have a number of items in the medical room which will be removed during half term so come in and check if you are missing any items. Thank you.

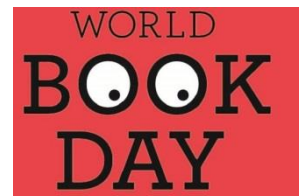

Sport Relief Dance

On the afternoon of 18th March we will be supporting Sport Relief by doing a whole-school dance on the field. We would like the children (and staff) to dress in bright colours for this event. PTFA will be running a cake stall. We will confirm times and arrangements nearer the event. Should be lots of fun!!

World Book Day

We would love if the children could dress up as a book character on Wednesday 2nd March for World Book Day. We have done this in the past and the children love it. It promotes lots of interest in books and reading. (Please note that World Book Day is actually on 3rd March but as this is parents' evening we have decided to celebrate the day before.) Thanks for your support.

Parent Consultations 3rd and 8th March 2016.

We are introducing a new booking system for parent consultation appointments. You will receive a text on the evening of Monday 22nd February which will give you a link to the Teachers2Parents website, where you will be able to input your child's name and select a time from the list of available appointments. If you are booking to see teachers of more than one class and would like to book concurrent appointments, or you have a limited time that you are available, it is recommended that you book as soon as you are notified of the link to give you the maximum choice of appointment times. The school will not be able to move booked appointments. Please contact the school office if you need support or require further information.

Parent Forum Meeting - rescheduled for Tuesday 23rd February, 5.30pm.

Apologies for any inconvenience caused. Suggestion Box available in the office for agenda items, (whether or not you are part of the forum).
