

World Book Day, 5th March 2020

World Book day this year was a great success. The children looked fantastic in their costumes and the staff looked interesting too! We had lots of fun throughout the day, sharing old stories, creating new stories, making book covers, and celebrating the children's writing achievements. A big thank you goes to Maggie Faircliffe and Caroline Kerr for carrying out the difficult task of judging the writing competition, and to Barry Morgan of Barton Marina for donating the first prize book vouchers. This is what the children had to say about the day.

Book Cover Designs

Each class designed and created a book cover of a favourite book. The designs were made using a variety of different media and have worked so well that we will be displaying them around school.
