### The End of the School Day

Now that the weather is better, quite a number of Foundation Stage and Key Stage 1 children are being allowed to play on the school field whilst parents chat and wait for other children to come out of school. Please make sure your children do not play on the field after they have been dismissed as the school can take no responsibility for them after school has finished. Thank you for your help in this Health & Safety matter.

### Maths Workshops

Thank you to all who attended the maths workshops this week. Feedback indicates that they were useful and informative. For those who missed the workshops, the maths policy is on the school website along with the power point that was presented.
