We have a number of children absent today and have therefore decided to post some pre-prepared information on class pages on our school website. BY THE END OF THE DAY you will be able to find details of websites as well as suggested activities which can be done at home. In the meantime, we are very much carrying on 'business as usual' unless told otherwise.

Other things to note...

- We plan to go ahead with the Mothers' Day Sale on Friday, so keep sending donations in.
- We will go ahead with Easter Services, but they will be held in school and parents are asked NOT to attend. We will post photographs on our website.

Thank you for your cooperation and support at such an uncertain time. We are following government guidelines and will keep you informed as things change.

Kind Regards.

Ms Golden
