Open Gardens

As many of you will know it is Open Gardens 25th and 26th June. As a school we are taking part and support this community project every year. We have been asked to produce art work for a competition which will be displayed around various gardens in the village. Two classes in school (Jaguars and Leopards), will be working together to produce entries in celebration of the Queen's birthday. The rest of the children have also been told that they can produce entries too, and if parents wish to support this activity then any extra entries would be most appreciated. We were thinking along the lines of portraits, crowns, flags, birthday cards... to name but a few ideas. There will be certificates for all entries and prizes for the winners. Please contact us in school if you would like to be part of this and need any further information. If you wish to go ahead, all entries need to be in school no later than Wednesday 22nd June. Thank you for your support.
