##### \*Parental Controls

What are parental controls?

Parental controls are software and tools which you can install on phones or tablets, games consoles or laptops - and even your home broadband.

You can also use them to help you block or filter the content your child sees when searching online. And family-friendly public WiFi can help when you're out and about.

Parental controls are also available to help you to:

- plan what time of day your child can go online and how long for
- stop them from downloading apps they're too young for
- manage the content different members of the family can see.

So whatever your child is doing online, there's a way that you can help keep them safe.

Some of the top free parental control apps available -  
Quostodio, Spyzie, Screen Time, uknowKids, Dinnertime

### **Peace Window**

This has been recently installed in our entrance hall and I am sure you will agree it is a beautiful symbol of our church status. It was designed and made by a monk and Roger Hailwood (one of our governors), sourced the window and very kindly provided a significant donation for us to have it professionally and safely mounted.

The PTFA kindly donated over £500 to refurbish our nurture room. This is now a lovely safe space for children to use. Parents welcome to come and have a look.

### **Pumas Go Zorbing**

Monday 16<sup>th</sup> July 2018

On Monday 16<sup>th</sup> Pumas had a very special treat; to go zorbing for being class of the year. They were so excited. When we got in the Zorbs, we put our arms over some straps and held on to the blue handles. We stood up and then started to run into everyone.

Some people were ran into and landed on their heads. Evreone had great fun running in to each other. Pumas loved it. A quote from Mr Tyson: "I completely loved it. It was the best day of my life!"

### **Snowleopards R.**

Snowleopards R were awarded class of the year for Key Stage 1. They spent Monday afternoon playing 'glow in the dark' dodgeball. Well done to both classes!

The fabulous Alrewas Ambassadors have represented the school brilliantly throughout the year. Well done.

### **Reminder**

There have been several performances and events over the last few weeks where parents have taken photos and recordings. Please remember they are for personal use only and not to be uploaded to social media sites. Thank you.

### **And Finally...**

May I take this opportunity to wish you all an enjoyable summer break. Children will be welcomed back to school on Wednesday 5<sup>th</sup> September 2018.
