It has been lovely to see everyone back in school over the last couple of weeks. Thank you for your co-operation when we have sent children home and requested COVID testing. We realise that this is extremely disruptive and frustrating for families, but we hope that you are reassured that we are doing our very best to keep the children and staff safe in school, in line with our risk assessment.

Nursery Applications

We are now inviting applications for Nursery places for children born between:

1st September 2017 and 31st August 2018.

Please see our website for details of how to make your application.
