Parents Evening Arrangements.

I would just like to outline arrangements for parents that are new to the school. You should come to the front entrance a few minutes before your appointment time. All consultations will take place in the hall and a bell will sound every 10 minutes to signal the start and end of appointments.

Sports News

Well done to the children who participated in the football match on Monday 9th October. It was a great team performance with a number of individuals contributing to the 11-0 win. An extra special mention goes to both Tom Moran and Luca Taylor who both scored three goals and solid performance from Arthur Walker in goal. Many year 5 children played the majority of the match and showed they were comfortable in a competitive environment.

Mr Redfern.

News from Snow Leopards

Snow Leopards (R) completed a village walk on 12.10.17. The children learnt about the different buildings, how some houses have a number or a name and the various purposes of the buildings and Village Hall. We bought stamps at the Post Office and met some post men. In class we will use our learning experience to help us write some letters of our own and help us with our topic 'Where we live.'

All Saints' Church Party of Light

Children are invited to a free party at the Church on Tuesday 31st October 5-7pm, where there will be a magic show. For tickets or more information please contact Nikki on 012873 791941.
