And so we reach the end of another hugely disrupted year!

Many children and staff are currently in isolation and unable to enjoy the final few days of the term which are usually fun-packed. We send our good wishes to those people, particularly our year 6.

Saying thank you to staff, parents, children, PTFA and governors doesn't seem enough this year. Everyone has pulled together and adapted to unprecedented upheaval and disruption to provide the best possible experiences for the children. We are especially proud of the way that the children have adapted, worked and played. Here's hoping for a safe and relaxing summer for everyone and a more stable return to normality in September.

We fully expect that there will be many government announcements over the summer and for this reason we will issue information and any changes in protocol towards the end of August, including revised risk assessments. We look forward to welcoming the children back into school on Friday 3rd September. We would like children to arrive and leave school at the times currently in place. Next year the children will wear their PE kit to school on their PE days. Please can children wear PE kit in readiness for a short PE session on their first day back too.

Any queries or worries over the holidays can be addressed to headteacher@allsaints-alrewas.staffs.sch.uk Emails will be checked during office hours Monday to Friday. Please note that the school office will close at the end of today until 1st September and emails sent to office@ will not be read until then.

Photos of activities

Please see Showbie for photographs celebrating everything that has been done this year. These will shortly be available to view on Showbie.

Safeguarding – Summer Safety Poster

Please see important poster on our website.

Information received from the Department for Education

New website for parents to help their children catch-up

The department has launched an [information site](#) for parents, to support children of all age ranges and abilities catch up on lost learning from the pandemic. The site features advice and support for parents of children with special educational needs and disabilities (SEND), as well as programmes, resources and activities for children and young people this summer.

Further information can be found on the [education catch-up for your child](#) homepage.

Fond farewells

We were very happy to cool off with a treat from Joe's Ices this morning; to celebrate the end of an unprecedented year and to bid farewell to Mrs Tiso, Mrs Ellwood and children and families who are moving onto pastures new. We wish them all the best and will miss them.

With best wishes, Ms Golden
