### **Parent Governor Vacancy**

We currently have a vacancy for a parent governor. Please see the attached letter for more information.

### **Children in Need**

Thank you for all your donations and to those parents and children who raised money from stalls last Friday. A total of £448 was raised.

### **Road Safety Awareness**

We have had lots of discussion in school with Parent Forum members and other interested stakeholders about the problems caused outside school by inconsiderate parking. We are hoping to address the issues in a number of ways. Firstly we will be holding a Road Safety Awareness Day in school next Tuesday (28<sup>th</sup> November), and PCSO Tracey Horton will be leading these sessions for all classes. We are also looking at ways of promoting a walking bus and are in the process of trying to access funding. In the meantime we would appreciate if parents could think about the safety of the children when parking in Furlong Close. Thank you for your cooperation.

### **Maths**

We have recently introduced a web based Times Tables programme across school. There appear to be a number of teething problems for some parents. To address this, Mr Redfern is available in school next Thursday from 2.45pm to help with any issues. All parents welcome.

We are in the process of reviewing the way maths homework is set. There will be a new system in place after Christmas. Further details to follow.

### **Parent Survey**

Many thanks to all parents who have completed the surveys. We are very grateful for your feedback and are in the process of addressing some of the issues raised and will provide feedback before the end of term. It is not too late if you would like to complete the survey and there are copies in the office.

## VACANCY - PARENT GOVERNOR

A vacancy exists on our school's governing body for a parent governor. I am writing to inform you of the election arrangements and to invite you to stand for election. Please note that being a Parent Governor is a rewarding but time consuming commitment. It involves attending a minimum of 6 meetings per year depending on the number of committees you become involved in. It is beneficial to read materials distributed prior to such meetings, in advance.

Parent governors are appointed for a period of four years, irrespective of whether their children remain in school during that period.

Parents who are willing and eligible to stand as a candidate for election may obtain nomination forms from the school office. The nomination form then needs to be signed by the candidate and two other parents. Parents of all children currently registered at the school are entitled to stand for election or to nominate others. For these purposes 'parent' includes a step-parent, guardian or other persons having parental responsibility. Please note that you will be disqualified from standing for election as a parent governor if any of the following criteria are applicable:

- You are employed at this school for more than 500 hours in a consecutive twelve month period (i.e. more than one third). You will, however, be entitled to vote in the election.
- You are an elected member of the Local Authority (Staffordshire County Council).

Prospective governors should satisfy themselves that they are not disqualified from being a school governor in general (see overleaf) and that they meet the eligibility criteria for being a Parent Governor at the school.

You may also like to note that the governing body has a code of conduct and that any new governor will be expected to sign up to and adhere to that code. You should also be aware that if your duties as a governor require you to have a CRB check, this will reveal information about previous cautions and convictions.

A completed nomination form must be returned to the school no later than **Friday 15<sup>th</sup> December 2017 5.00 p.m.** It would be helpful if candidates would submit a brief statement about themselves (no more than 150 words). Should a vote be required, this will be distributed to all parents to help them to make their decision.

As soon as possible following the closing date for nominations, all parents will be sent a ballot paper giving details of each of the candidates. Parents will be asked to indicate their preference as appropriate and return the ballot paper to the school office no later than the date shown. To comply with statutory regulations the ballot will be conducted in secret.

All candidates will be invited to attend the count although it will not be invalidated due to inability to attend.

The results of the ballot will be posted on the school notice board immediately following the count.

If you are considering this role, I would strongly recommend that you come into school to discuss the role.

Yours sincerely

Ms A Golden  
Headteacher
