Head Teacher Appointment

I am delighted to have been appointed as permanent Head Teacher here at All Saints'. Thanks to parents and members of the community who have offered congratulations and good wishes. I feel privileged to be able to continue working with such a talented and dedicated team of professionals. I will continue to work tirelessly to secure the highest academic standards for your children in a warm and inclusive environment.

Sun cream, hats and water bottles

As the weather is beginning to get hotter it's time to remember to protect children against the elements. It works best if children are applied with a high factor cream before they come to school; this should protect them throughout the day. Staff are not permitted to apply cream.

PE Kits, Homework and Homework Diaries

Your support with these expectations and important aspects of school life are much appreciated. We find that children who have the correct equipment/kit, use their diaries/planners and complete homework tasks make better overall progress. We are committed to ensuring that the school rules are upheld by all children and will be sending texts to remind parents. Do not hesitate to make contact if there are any issues with the above. Thanks for your cooperation

Year 5 Authors

Earlier this year Panthers wrote mini sagas (which had to contain 100 words or less) to enter the Crazy Creatures Writing Competition. Mr Redfern was hoping for at least 1 or 2 authors to be published. To his delight there were 17 published as national authors. We have ordered some spare copies for the library area.

Food survey

We are working hard with our Area Manager to make improvements to school dinners and want to start by gathering your views. Please complete the food chart(sent home with children today) by ticking the relevant boxes to indicate your opinions about food consumed between the dates from 2nd May (week 1) to 19th May(end of week 3). This will be sent home with your child today. Thank you.
