Saving Money

As a school we are planning lots of new ways to raise money and save money. We are going to be more rigorous about tracking guided reading books, reading books and other loaned items and making sure that they are returned to school after use. We will be asking for payment for unreturned or damaged items. PLEASE support us in this. In the meantime, if you could have a look at home and return any school books that you find, that would be very much appreciated. Many thanks.
