Parking

There have been a number of complaints from neighbours and parents about the parking in Furlong Close. Dangerous and obstructive parking is illegal and increases the likelihood of an accident. I am certain that we all share the best interests of the well-being and safety of our children. Please have this in mind when parking. Our PCSO will continue to support us and monitor the situation. Her email address is tracy.horton@staffordshire.pnn.police.uk if any parents wish to send clear photographs with number plates in view. Thank you for your support with this matter.

Royal Visit

On the 29th March our Year 6 staff and children were invited to the official opening of the Remembrance Centre at the National Memorial Arboretum. The Duke of Cambridge was present and met several of our children. It was a truly memorable day for all who attended. Our children were impeccably behaved as always and were highly praised by the Arboretum staff. Follow this link to see some of the footage
