Congratulations...

... to Year 6 pupils Christina Briggs and Annabelle Healey who have each won 4 tickets for the pantomime 'Camelot'. Their delightful designs are being combined to provide a dress for the pantomime dame!

You will be able to view their creation at Alrewas Village Hall during January performances on Thursday 23rd to Saturday 25th. Tickets are available to buy from the Bank Coffeehouse.

Relationships and Health

Changes have been made to this area of the curriculum and the link to a parents' guide can be found on the school website in the 'curriculum' area of the 'about us' page. Alternatively follow this link:

Library

The children in Key Stage Two will be given the opportunity to borrow a library book from the school library once a week during lunchtime. We hope that this opportunity will encourage the children to develop their interests in a wider range of topics or enhance the understanding that they already have. We will record the book that every child borrows and the date on which it is loaned and returned to the library. The children have been allocated a day to visit the library:

Monday	Year 6
Tuesday	Year 4
Wednesday	Year 5
Thursday	Year 3

Early Morning Interventions

Please could children come into school through the front entrance (by the office) so that they can sign in. This is important as official registers aren't taken until 8:55am. Thank you.

Lions Update

On Tuesday 5th November we had Mrs Barnes visit us from John Taylor High School. She spent time in class and introduced concepts helping to prepare us for our transition. During our session we looked at alternative skills and concepts and how to select the most efficient method.

We worked in pairs to read distance and time graphs. Mrs Barnes talked to us about the importance of being resilient and encouraged us to build confidence throughout her time with Lions. We thoroughly enjoyed her visit and look forward to her returning in March.
