Am I an Ape?

This was the theme of the fascinating lecture delivered to our Year 6 pupils by Drs Susannah Thorpe and Emily Saunders last week. Thanks to both of you. The children and staff found it fascinating. There should be some photographs on the website...

More Thanks...

...for the numerous generous donations to our recent canine visitor from Battersea Dogs' Home. We were overwhelmed by the quality and quantity of donations. They will certainly be put to good use.

Parking

We have had a number of complaints from local residents about the parking along Furlong Close. Some residents have had their drives completely blocked. Our local PCSO, Tracy Horton, has been around school speaking to parents who have been parking illegally and dangerously. She has requested that anyone seeing cars parked in this way should send photographs to tracy.horton@staffordshire.pnn.police.uk. We are going to continue working with her to ensure safety for parents and children coming into our school. We plan to deliver a 'Zig and Zag' scheme in the new year.

Christmas Jumpers

On Friday 16th December children can wear Christmas Jumpers. We would appreciate if children could bring a donation of £1 to be split between 2 charities; Save the Children and Shelter. Shelter provides food and shelter for the night for homeless people. Merry Christmas and thank you. Rosie, Darcy and Phoebe Year 6

Hedgehog Alert

We have had a request from one of the local residents to make you aware of current danger for hedgehogs. Because of recent warm weather they appear to be having late litters which means that they will struggle to eat enough before going into hibernation. Could you therefore be extra vigilant for any baby hedgehogs! If you spot any please call Tim on 01283 791105, or Hedgehog Rescue Tamworth 01827701219 or 07946 076474. Thank you.

We are looking forward to seeing you all at the Christmas Fayre later today. Thanks for the range of top quality items donated so far.
