## **Maths support sessions**

I will be offering maths support sessions on two separate dates (**Friday 18<sup>th</sup> September and Tuesday 21<sup>st</sup> September**). These sessions will provide one-to-one support for mathematics and deliver bespoke support and advice for you and your child, the aim of which is to raise awareness of how you can support your child at home and reduce any uncertainties for the academic year ahead. As many children have received a different educational experience following the lockdown period, we are providing this advisory service, intended to help all children to achieve their full potential. Appointments will be via telephone and last for ten minutes with next steps or additional resources potentially discussed. **Conversations** will be supportive, **with** no question considered too basic.

Please contact the office to arrange a call back appointment, stating your preferred day and time.

**Friday 18<sup>th</sup> September (3:30pm – 4:30pm)**

**Tuesday 21<sup>st</sup> September (1:30pm – 2:00pm)**

Many thanks for your support.

Mr Redfern
