☺ Last week we read *Oliver's Fruit Salad*, explored fruit and made fruit prints using paint.

Litter Picking Legends!

There are a number of small, ongoing 'eco' projects around school to help ensure we are maintaining our school environment in an ecologically-friendly manner and continue to reduce the impact we have on the wider environment. Recently a number of children volunteered to lead a litter picking session in order to help keep our outside spaces tidy and clear of unwanted rubbish. As you can see, they did a fantastic job and enjoyed contributing towards keeping their school neat and tidy!
