Tik Tok Warning

We have just been made aware that a clip of a live suicide has been posted on TikTok. It has been widely viewed although we aren't aware of any children in school that have seen it. It has been integrated as part of another clip that looks 'innocent'. We haven't discussed this with any of the children but felt it important to make parents aware and remind you all that the advised age for access to this site is 13. Please be aware of privacy settings in general and monitor your child/children's use of the internet.

Thank you

Ms Golden
