We need your help:

Dear Parents/Carers

This year we would like to support 'Operation Christmas Child' in helping to bring gifts to those children around the world less fortunate than our own. Samaritan's Purse has been running this scheme for many years and has collected shoebox gifts filled with toys, school supplies, and hygiene items for children around the world. Since 1990, more than 178 million children in more than 150 countries have received an Operation Christmas Child shoebox.

We will be talking to the children about the scheme during PSHE lessons and if you would like to fill a shoebox for a child in need then please go to www.samaritans-purse.org.uk for more information. You can fill a shoebox yourself, just follow the instructions on the website - noting carefully what you can and cannot include in a box - or you can fill a shoebox online, whereby you choose the gifts to go in the shoebox but Samaritan's Purse will source and fill the box for you.

We have supported this scheme in the past and it has been very successful and given the children a lot of pleasure in picking items and filling a shoebox for someone else. If you would like to fill your own shoebox, please wrap it in Christmas paper, fill with the recommended items for your chosen age group and gender, print off and put a label on the front (these can be printed from the website or obtained from me at school) and bring in to school on Friday 13th November.

If you would like some more information, please let me know.

Kind regards

Mrs Haycock
