

What you can recycle in this programme

ACCEPTED WASTE

ACCEPTED WASTE

Any brand of crisp packets

Waste that is NOT accepted:

- Popcorn bags
- Crisp tubes
- Pretzel bags
- Meat snack bags

Waste that is accepted:

- Any brand of crisp packets

Welcome back!

With school now open, so are the Terracycle bins and we hope that this year we can continue to turn our waste into profit for the school.

We are now signed up to the following recycling programmes:

- Bread bags (plastic only, not Warburtons toastie bag and NO bagel/crumpet/wrap packs)
- Cheese wrappers- See photo for accepted waste
- Crisp packets- See photo for accepted waste
- Carex pump bottles/pumps and refill pouches
- Biscuit and savoury snacks packaging, including cheese cracker wrappers
- Cleaning packaging, including all floor wipes, dishwasher salt bags, dishwasher tablet flexible packaging, flexible cleaning refill packaging

We are hoping that through this scheme we can make our local community more aware of their waste and together, make our planet a little greener for the future.

What do I do with my waste?

All you need to do is collect your waste at home and then deposit into either of the black bins outside reception. **It doesn't need to be washed, but it does need to be empty.**

Please keep all rubbish as flat as possible as this makes it much easier to pack and send off. If you could pack waste inside one another (crisps inside multi-pack outer/cheese inside a larger cheese packet), this will also avoid unnecessary plastic bag waste. Please see photo for idea.

Thank you for your support!
