

The 121 houses on the land north of Dark Lane ARE going to be built. Work starts: soon / for 3 years.

**Alrewas Residents' Group still has concerns over possible impacts on the village.**

**Construction traffic**

**Access:** north end of Rykneld Street.

**Exit:** Dark Lane, Park Road, Exchange Rd & **LEFT** along Main Street.

**Parking restrictions along exit route:** will severely affect parking in the village

**Temporary parking for residents:** conditions not agreed.

**7.5 tonne limit :** should still apply to the rest of Main Street.

**Excess mud:** slippery roads, more drains blocked, increased risk of flooding.

**Possible damage:** buildings, cars, need for initial condition surveys for buildings at risk?

**Flooding risks:** will they be monitored competently?

**Services to the site**

Can our present **sewerage system** cope?

Roads will be **dug up**.

**Possible interruptions** to services.
