

Parent Forum Summary

January 2020

Points Discussed:

- Danger to environment and air quality with engines running close to the school - request gone out in today's newsletter.
- Healthy options at lunchtimes - discussion about white/brown bread and range of pudding choices. 'Best of both' is currently offered. Brown bread to be made available.
- Improving communication - discussion about ways to develop this. From today, parents will be invited to provide the office with email addresses for communication of items longer than texts. This item can be carried forward.
- Range of clubs offered - suggestions made and this is to be carried forward.
- Next Meeting - 3rd March 9am
