HOMEWORK AT ALL SAINTS'

Below is a description of the way in which homework is set across school. It is recommended that homework is set to 'extend the knowledge and understanding pupils have acquired.' (Teacher Standards). We seek to provide opportunities for extension of learning that is progressive throughout school. The nature of tasks change as children progress through school, and by the time children are in upper KS2 there is a strong emphasis on personal organisation, independence and 'secondary readiness.' Children are strongly encouraged to complete all tasks set, though we adopt a flexible approach with parents and children in order to achieve this outcome. We provide a lunch-time on Thursdays and Fridays for children who are unable to complete homework at home.
