School Council Autumn 1

Welcome to a new year at All Saints' School. We are the school council and we plan to summarise what's going on every half term with this short but sweet newsletter.

All Saints' football team

This half term we have had many sports fixtures that we have been triumphant in, such as football and tag rugby.

In tag rugby, we came second. However, it was an extremely tight game. We played three games in the tournament, (not including the final). We won the first game 3-1, and on the second we won 7-0. The last game in the 1st round was against Thomas Russell's A team; a tight match which we won 5-3. We got to the final, but sadly we lost. We played fairly and worked as a team.

This half term the students of All Saints' celebrated the joyous occasion of Harvest. We all took part in a friendly assembly, but only the juniors went to celebrate at the church. We had a wonderful time and sung joyful hymns along with many of our friends and family.

We learnt how the festival of Harvest takes place in other countries of the world. For example, in America they celebrate an occasion called Thanksgiving, where they have a large meal usually including a turkey and pumpkin pie.

We also celebrated World Food Day on the 16th of October. We learnt in our individual classes where food originated and how it was made around the globe.

Year 6 Class Reps: Kitty Whirledge, Tom Franks, Courtney Geer and Oscar Sanders.
