SPORT RELIEF

For Sport Relief our whole-school project is the 1,000 Vault Challenge. Each class will try to complete as many vaults as possible. We have all also dressed up in sports' clothes to raise money.

MATHS DAY

We held a whole-school Maths Day. We all dressed up for the occasion. We had some great costumes such as dice, maths robots, DIY shirts with sums on, a playing cards dress. Throughout the day there were a range of activities for everyone, all to do with maths.

WORLD BOOK DAY

Our World Book Day was rearranged because of the snow. When it was held we all dressed up in some great costumes including Harry Potter, Hermione Gangsta Granny... Mr Gibbs did the assembly and led everyone around the school for a 'World Book Day Parade.'
