This school is committed to safeguarding and promoting the welfare of children and young people. Parents can feel confident that careful procedures are in place to ensure that all staff and volunteers are suitable to work with children. Parents and children are encouraged to talk about any concerns or worries which may affect educational progress and hopefully see the school as a safe place. Children will be taken seriously if they seek help from a member of staff. Parents will normally be consulted and their consent obtained before any referrals are made to an outside agency under local 'children in need' procedures. However, staff cannot guarantee to consult parents first, or keep children's concerns confidential, if referral must be made to the appropriate agencies in order to safeguard a child's welfare.
