

**Safer
Internet
Day 2016** | **Tuesday
9 February**
Play your part for
a better internet

www.saferinternetday.org.uk

Dear Parents and Carers,

February 9th 2016 is **Safer Internet Day**, a day that is very important to our school and pupils. Safer Internet Day is run by the INSAFE network and is celebrated every year across Europe, and in other countries worldwide.

In the UK, Safer Internet Day is organised by the **UK Safer Internet Centre** (www.saferinternet.org.uk), and this year's theme is "Play your part for a better internet." Childnet International, who form part of the UK Safer Internet Centre, have produced an online safety presentation to help schools, parents and carers to support children and young people online. Please go to the above web address for more information.

Throughout the day the children will be taking part in activities to help them learn about how to be safe when using the internet. This year the focus is on how we communicate with each other online, how we can do this safely and respectfully and how to deal with issues arising from messaging and other forms of communicating online.

If you would like any more information about how to help your child/children to be safe when using the internet, then please go to the 'Links' section of the school website and click on the address www.thinkyouknow.co.uk/parents

Thank you for your continued support

Head Teacher
