CHRISTMAS TREE PTFA FUNDRAISER

Fancy helping raise some funds for our children at All Saints whilst sorting out the purchase of this year's Xmas Tree?

All Saints PTFA have teamed up with a local supplier who can deliver your Xmas tree to your door this year! Every tree ordered through us will contribute £10 to our funds. Essential funding at the moment as we can't get together to organise our usual Christmas frivolities!!

These premium Nordman Fir trees, direct from the Welsh grower, come in various sizes and will be cut to order. They have soft foliage, perfect symmetry, excellent needle retention with a distinct festive fragrance.

The prices are below. Just complete an order form (see form below) by 23rd November, pay via our PayPal account or direct bank transfer and then sit back and relax. Your tree will be delivered, evenings or weekends, as close as possible to your pre-selected delivery date. Simple!!

Our supplier recommends that trees benefit from being stood outside, in water, for at least a week before they are brought into the house as this assists maximum longevity. Please take this into account when selecting your delivery date and have a bucket ready!!

Trees will be delivered in the evenings or at weekends as close to your preferred date as possible.
