

Parent Forum Summary

March 2017

We welcomed three parents from Mosley Academy who came to observe our meeting with a view to starting a Forum at their school.

The following items were discussed:

- Highly positive feedback received about the recent SEND workshop provided for parents.
- Online calendar is now up and running and working well.
- PCSO Tracey Horton has been supporting school with parking problems and will continue to do so.
- A system for pre-ordering for lunches. Ms Golden has since asked for advice from the Area manager for catering. He will attend the next meeting in June with some suggestions following his own research.
- We now have a system where parents come in on Thursday lunchtimes to support specific children. This is working well and will be cascaded to include other parents.
- The safety of water bottles currently used in school - research underway. This will be carried to the next meeting.

Next meeting: 19th May 2017
