

Parent Forum

Summary of Meeting held 17th September 2019

- ECO Award. We have begun to work towards this award with the aim of becoming more aware of global issues and what we can do as a community to save energy, recycle etc... Representatives from each class have been elected and the children are really keen to get going.
- PSHE. Changes in the way some parts of the curriculum for 'Personal, Social and Health Education' and 'Sex and Relationships' were briefly explained. More information will follow.
- As part of health and well-being children run the 'daily mile' on Mondays and Thursdays, engage in HIT on Tuesdays and Fridays and on Wednesdays we do a range of breathing/mindfulness/relaxation techniques in classes. We have found that not only is a great way to start the day and is very much enjoyed by the children. Parents were very positive about these initiatives.
- Fundraising and ideas for Enterprise were discussed. All children will be given the opportunity to do this in the Spring Term and details will follow
- Open Morning - to be held 2nd October 9.30 to 11.30am with refreshments from 9am and mid- way through. All parents welcome.
- Parent Readers. This is running very successfully and has had a positive impact on reading for the children involved. More volunteers welcome.
- Dates - it was requested that dates are released as early as possible and that the day for Parent Forum be varied to allow different groups of parents to attend.
