Acceptable Use Policy for Learners

Acceptable use Policy Agreement

I understand that I must use school ICT systems in a responsible way, to ensure that there is no risk to my safety or to the safety and security of the ICT systems and other users.

For my own personal safety:

I understand that the school will monitor my use of the ICT systems, email and other digital communications.

I will treat my username and my password like my toothbrush - I will not share it, nor will I try to use any other person's username and password.

I will be aware of 'stranger danger', when I am communicating on-line.

I will not give out or share personal details, phone numbers, schools, home addresses, about myself or others when on-line and I will always report anyone asking me to do so.

I will never agree to meet anyone I have spoken to on the internet.

I will immediately report any unpleasant or inappropriate material or messages or anything that makes me feel uncomfortable when I see it on-line.

I will respect others' work and property and will not access, copy, remove or otherwise alter any other users' file.

I will be polite and responsible when I communicate with others, I will not use strong, aggressive or inappropriate language.

I will not take or distribute images of anyone without their permission.

I will ask permission before using the internet and will not visit Internet sites I know to be banned by the school.

I understand that I am responsible for my actions, both in and out of school.

I understand that if I fail to comply with this Acceptable Policy use Agreement, I will be subject to disciplinary action. This may include loss of access to the school network/Internet, detentions, suspensions, contact with parents, and in the event of illegal activities, involvement of the police.
