December 2017

Children in Need

Lots of children from years 5/6 ran various stalls selling sweets, cakes and even football activities on the field for Children in Need. We raised £448 on our Spectacular Friday. We were very appreciative of all the money raised and the number of children who bought things from our stalls. Thanks to Ms Golden for helping us to organise this spectacular charity event.

School Council Meeting

In our most recent meeting School Council Members were allocated jobs to help our school maintain high expectations of safety. We have newsletter writers and Health & Safety team members as well as many other jobs.
