

# School Council Newsletter

## Events Throughout This Term!

### New years resolution

Every new year All saints' Primary School have created a new year resolution. This year all of our new years' resolutions were based on RE and what would Jesus do. We enjoy making them and we try to stick to them. We have a vote of what we think is appropriate for us and what we think we will stick to.

### E-Safety

On Tuesday we had a talk about E-Safety so we could learn how to be safe on the internet and how we can get help on the internet.

### Bronze medalists

All Saints' School have been entered in many competitions but the latest athletics one was the one we enjoyed the most. In the last competition we came third and Mr Redfern and Mrs Felton said they were very proud of us.

Mrs. Felton and Mr Redfern wanted us to be in the top five so when they heard that we had come third, they were over the moon.

### Jaguars class assembly

Every class takes a turn to do a special assembly to show their parents and other classes about what we have been doing in the past year. The most recent assembly was Jaguars. They talked to their parents about their work and gym.

### House points

The school has now got a different house point system. Now we all have our own house point card we have to look after. We have to get ticks or signatures from teachers to show we have not cheated. Infants have to get 10 house points and juniors have to get 60 house points to complete their card. There are different cards that you level up on. Once you have completed them you get a badge.

### Shrove Tuesday

At all Saints' Primary School we take Shrove Tuesday as a big event on the calendar. Some classes have had the reverend from the local Methodist church come in and talk to them about shrove Tuesday and why it is important to us. Some classes were even lucky enough to make pancakes.

All our exciting adventures in this term!
