## Welcome back 2016-2017

### Welcome back

Welcome back to a new year. We have had some new teachers come to All Saints' school.

We also have had some new youngsters come to our school.

There are new children from age 3 to all the way up to age 11.

Here is the information coming this term.

### Luxury Laches wood

Recently the year 6 classes made a trip to Laches Wood.

To improve their responsibility and their secrets of success, many have learnt to try their best and not to give up. When the children came back from the trip they were thankful to the teachers for all the time and effort they have put in.

### Happy harvest

We have had a great Harvest Festival singing songs and showing work about harvest. Thank you for coming to those that did. We hope you enjoyed what you saw at the church.

Thank you for all the food that was donated to make the church look pretty.

We hope you enjoyed both services.

All our exciting adventures in this term!

### Cracking Christmas

This Christmas there are productions from every class From Kittens to Lions. The teachers have set goals to produce dazzling productions, as well as The Nativity by the younger children.

Children have also been working hard on Christmas cauliflower cards. They have been busy coloring and decorating. We hope you like what your children have created. We hope to raise lots of money for school.

### SPORT

We have all ready been involved with many sports such as football, Tag ruby and many more. We went for gold as we won the tag ruby tournament.
