

School Council Newsletter

All our exciting adventures in this term!

Welcome back to a new term !

School Rules

Our school have been reminded about the school rules this term.

These are the ones which have improved in school the most:

1. Behave safely.
2. Respect property.
3. Respect other people's culture, race, feelings beliefs and values.
4. Work to the best of our ability.
5. Wear appropriate school uniform.

The most important one that we believe in at our school is...

6. Be prepared to listen and learn.

In the class room

In all of the classes, children have been producing extended pieces of writing based on two books. In the juniors, children have studied The Quest, and the infants have read The Journey.

Athletics

Recently the athletics team has been to a competition and won. Now they have achieved a big award which isn't just a trophy

but a ticket to the **county**

finals!!!! Are school (all saints) has organised a school bus to take the county finals squad to the competition hopefully we mite get a medal. This is a big achievement for are school because this is the 2nd time we have been but last time we didn't win but hopefully we will come back stronger this time.

Safety Team

We now have a Health and Safety Team. Last time the people who were in the safety team were:

Aaron, Isabella, Alexandra, James and our Governor Mrs. Simpson.

Next term we will change the members of the safety team. They will walk around the school looking for danger or things which could be improved to make school even safer.

Forest schools

The school has provided a club for people to learn about wildlife.
